

BUZZKILL™

Feel Better **THE NEXT DAY**

Don't let a good time turn into a bad morning!
Consume Buzzkill Post-Alcohol And Feel Better **FAST.**

Problem:

After too much alcohol, **2.6 BILLION** times per year, people feel poorly the next day.

Solution

Buzzkill's proprietary blend of natural ingredients aids in **liver detox** and helps to eliminate hangovers.

How Does It Work?

Ancient & natural ingredients proven to expedite the removal of toxins in the liver, helps ensure you feel refreshed **the next day** with little-to-no hangover.

The Science

- ✓ Triggers liver to **produce more** alcohol digesting enzymes
- ✓ **Reduced inflammatory** agents, called cytokines
- ✓ Vegan Friendly, Soy Free, Gluten Free & **Caffeine Free**
- ✓ Reduced lipid (**fat**) **accumulation** in the liver

*Based on USC study on the effects of Vine Tea Extract (DHM)

Buzzkill is great **even if you don't drink alcohol**. Many of our customers say they feel better after taking Buzzkill - as well as **before or after a workout**.
